EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Larry Steward, Reg. No. 32,309 on January 19, 2005.

The application has been amended as follows:

In claim 1 line 12 after "probe" the language "and extending substantially to said handle portion" has been deleted in favor of -- said transducer head and said shapeable portion being substantially isodiametric, --, and again in line 12 after "portion" has been added -- and said transducer head --.

In claim 26 lines 6 -7 the language "distally from substantially the proximal end of said probe" has been deleted in favor of -- proximally from adjacent the distal end, the shapeable portion and transducer head being substantially isodiametric, and being sized and dimensioned for introduction into the natural spaces of the brain, --.

Art Unit: 3737

In claim 33 line last after " handle portion ", has been added -- said shapeable portion and said transducer head being sized to provide a substantially smooth diametric transition therebetween, --.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jaworski Francis J. whose telephone number is 571-272-4738

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
